

## Special Meetings

---

### 2012

**Joint Framework for Measuring C2 Effectiveness**, 23-26 January 2012, JHU Applied Physics Lab, Laurel, MD

### 2011

**Operations Research Methods in Support of Countering Transnational Threats**, 12 -14 December 2011, Liberty Crossing, Tysons Corner, VA

**Risk, Trade Space & Analytics in Acquisition**, 19-22 September 2011, Sheraton Premiere at Tysons Corner, Vienna, VA

**Analytic Support for Maritime Domain Awareness**, 2-5 May 2011, Anti-Submarine Warfare Base, San Diego, CA

**Mission Assurance: Analysis for Cyber Operations**, 21-24 March 2011, Southwest Research Institute, San Antonio, TX

**Education and Professional Development Colloquium**, 8-10 March 2011, Military Institute, Lexington, VA

**DoD Force Structure Analysis Way-Ahead**, 24-27 January 2011, TASC Heritage Conference Center, Chantilly, VA

### 2010

**MORS Leadership Forum & Career Fair**, 7 December 2010, Washington Convention Center, Washington, DC

**Optimizing Investments in Critical Infrastructure Protection**, 15-18 November 2010, ANSER Conference Center, Arlington, VA

**Social Science Underpinnings of Complex Operations**, 18-21 October 2010, George Mason University, Arlington Campus, VA

**Irregular Warfare III - Improving Analytical Support to the Warfighter: Campaign Assessments, Operational Analysis, and Data Management** 19-22 April 2010, Lockheed Martin, Orlando, FL

**Education and Professional Development Colloquium, "Operations Research, A Global Solution Methodology,"** 14-15 April 2010, Army Logistics University (ALU), Ft. Lee, VA

**Analytic Agenda: Post-QDR Way Ahead,** 1-4 March 2010, Heritage Center, Chantilly, VA

**Interagency Meeting,** 9-10 February 2010, this meeting was held meeting.

**Personnel and National Security: A Quantitative Approach (Unclass),** 25-28 January 2010, Johns Hopkins University Applied Physics Lab, Laurel, MD

## 2009

**Power and Energy,** 30 November to 3 December 2009, WBB Consulting, Inc., Reston, VA

**Maritime Domain Awareness and Counter Piracy,** 26-29 October 2009, Ottawa, Canada

**77th MORS Symposium,** 16-18 June 2009, US Army Command and Staff College, Fort Leavenworth, KS

**Risk-Informed Decision Making for HLS Resource Allocation,** 13-16 April 2009, ANSER Conference Center (HSI), Shirlington, VA

**Irregular Warfare II,** 4-6 February 2009, MacDill AFB, FL

**Strengthening the Next QDR Through Timely and Relevant Analysis,** 13-15 January 2009, ANSER Conference Center, Shirlington, VA

## 2008

**Understanding the Consequences of Catastrophic Events: Using Methods and Tools to Analyze and Manage Incidents,** 18-20 November 2008, VA Modeling and Simulation Center, Suffolk, VA

**Cyber Analysis Workshop,** 28-30 October 2008, Whitney, Bradley and Brown, Reston, VA

**Analyzing the Impact of Emerging Societies on National Security,** 14-18 April 2008, Argonne National Laboratory, Argonne, IL

**Analytic Tools for Deterrence and Policy Assessment,** 5-7 February 2008, Johns Hopkins University/Applied Physics Lab, Laurel, MD

## 2007

**Improving Cooperation Among Nations for Irregular Warfare Analysis**, 11-13 December 2007, Naval Postgraduate School, Monterey, CA

**Innovative Operations Research Methods for IED Defeat**, 13-15 November 2007, Johns Hopkins University/Applied Physics Lab, Laurel, MD

**Wargaming and Analysis**, 16-18 October 2007, Northrop Grumman-TASC Heritage Conference Center, Chantilly, VA

**Transforming Information Assurance for Netcentric Operations: Providing Assured Information for National Security**, 6-8 March 2007, Johns Hopkins University/APL, Laurel, MD

**Tutorial: Equipping the Analysis Toolkit PHALANX Article**, 20-22 February 2007, Johns Hopkins University/APL, Laurel, MD

**Warrior Analysts: How Can We Better Combat Multipliers?**, 30 January-1 February 2007, Booz Allen Hamilton, McLean, VA

**Analyzing the Value of Infrastructure**, 14-16 November 2006, Army War College, Carlisle, PA

## 2006

**Bringing Analytical Rigor to Joint Warfighting Experimentation**, 3-5 October 2006, Joint Forces Staff College, Norfolk, VA

**Capabilities-Based Planning (CBP) II: Identifying, Classifying and Measuring Risk in a Post 9-11 World**, 4-6 April 2006, Booz Allen Hamilton, McLean, VA

**Analysis for Non-Traditional Security Challenges: Methods and Tools**, 21-23 February 2006, Johns Hopkins University/APL, Laurel, MD

**Homeland Security - Homeland Defense Decision Support Workshop**, 15-17 November 2005, Johns Hopkins University/APL, Laurel, MD

## 2005

**Agent-Based Models and Other Analytical Tools in Support of Stability Operations Workshop**, 25-27 October 2005, Science Applications International Corporation, McLean, VA

**A Tutorial on "New" Analysis Techniques: Understanding & Applications**, 25-27 January 2005, Johns Hopkins University/APL, Laurel MD

## 2004

**The Global War on Terrorism: Analytic Support, Tools and Metrics of Assessment**, 30 November - 2 December 2004, US Naval War College, Newport, RI

**Capabilities-Based Planning: The Road Ahead**, 19-21 October 2004, Institute for Defense Analyses, Alexandria, VA

**Training Transformation: Analysis and Assessment in New Operational Environments**, 28-30 September 2004, SAIC McLean Conference Center, McLean, VA

**Operations Analysis Support to Network Centric Operations**, 27-29 January 2004, Booz Allen Hamilton, McLean, VA

## 2003

**Decision Aids/Support to Joint Operations Planning**, 18-20 November 2003, Dougherty Conference Center, Offutt AFB, NE

**Command and Control Mini-Symposium and Workshop: How Cognitive and Behavioral Factors Influence Command and Control**, 28-30 October 2003, The Institute for Defense Analyses, Alexandria VA

**Improving Defense Analysis Through Better Data Practices**, 25-27 March 2003, Institute for Defense Analyses, Alexandria, VA

**Combat Analyst: Deploying Quantitative Support to the Combatant Commander**, 28-30 January 2003, Booz Allen and Hamilton, McLean, VA

## 2002

**New Techniques: A Better Understanding of their Application to Analysis**, 19-21 November 2002, Johns Hopkins University/APL, Laurel, MD

**Test & Evaluation, Modeling and Simulation and VV&A: Quantifying the Relationship Between Testing and Simulation**, 15-17 October 2002, The Energy Training Complex, Kirtland AFB, Albuquerque NM

**Operations Research Methods for Information Operations**, 9-11 April 2002, Booz Allen and Hamilton, McLean, VA

**Analyzing Effects-Based Operations**, 29-31 January 2002, Booz Allen Hamilton, McLean, VA

## 2001

**Analysis of Urban Warfare Workshop**, 2-4 October 2001 Johns Hopkins University/APL, Laurel, MD

**Homeland Security**, 13-15 March 2001 Johns Hopkins University/APL, Laurel, MD

**Chemical-Biological Weapons of Mass Destruction: Understanding the Problem**, 30 January – 1 February 2001, Booz Allen Hamilton, Mclean, VA

## 2000

**Advancing C4ISR Assessment**, 30-31 October, 1-2 November 2000, Army War College, Carlisle, PA

**Evolving the Practice of Military Operations Analysis in the DoD**, 29 February, 1-2 March 2000, Naval Postgraduate School, Monterey, CA.

**Joint Analysis: QDR 2001 and Beyond**, 1-3 February 2000. Booz Allen & Hamilton, McLean, VA

## 1999

**Military Recruiting and Retention for the 21<sup>st</sup> Century**, 28-30 September 1999, Institute for Defense Analysis, Alexandria, VA

**Joint Experimentation Mini-Symposium and Workshop**, 8-11 March 1999, Norfolk, VA

**SIMVAL '99: Making VV&A Effective and Affordable Workshop**, 26-29 January 1999, Johns Hopkins University/APL, Laurel, MD

## 1998

**Analyzing C4ISR Workshop**, 27-29 October 1998, US Army War College, North Middleton Township, PA

**Simulation Technology 2007 Workshop – Session 2**, 18-20 August 1998, Institute for Defense Analysis, Alexandria, VA

**Lessons Learned from QDR Mini-Symposium and Workshop**, 7-9 April 1998, Johns Hopkins University/APL, Laurel, MD

**DOD Infrastructure: Why It Is and What Does it Cost**, 27-29 January 1998, Williamsburg, Marriott, Williamsburg, VA

## 1997

**Warfare Analysis and Complexity Mini-Symposium/Workshop**, 15-17 September 1997. The Johns Hopkins University, Johns Hopkins University/APL, Laurel, MD

**Complexity in Models and Simulation-Linkage Mini-Symposium, BDM**, 24-27 February 1997, Albuquerque, NM.

**Operations Other Than War Analysis Methods and Techniques Workshop**, 28-30 January 1997, US SOCOM/CENTCOM, MacDill AFB, FL.

## 1996

**Quick Response Analysis Requirements and Methodologies (QRAM) Mini-Symposium**, 30 September - 3 October 1996, Booz Allen & Hamilton, McLean, VA. (DTIC: A322 324)

**Advanced Distributed Simulations for Analysis (ADSA '96)**, 30 January - 1 February 1996, Williamsburg Marriott, Williamsburg, VA.

## 1995

**Developing a Framework for Joint Mobility Analysis**, 26-27 September 1995, MITRE, McLean, VA.

**Simulation Data and Its Management Workshop (SIMDATAM-95)**, 28-29 March 1995, Center for Strategic Leadership, US Army War College. (DTIC: AD A321 403)

## 1994

**Joint Requirements Oversight Council Process Workshop (JROC)**, 17-18 October 1994, Sheraton National Hotel, Arlington, VA. (DTIC: A306 114)

**SIMVAL '94, BDM**, 28-30 September 1994, Albuquerque, NM.

**How Much Testing is Enough? Mini-Symposium, (joint with International Test and Evaluation Association, ITEA)**, 28 February, 1- 3 March 1994, Williamsburg, VA. (DTIC: AD A291 729)

**Simulation Data and Its Management Mini-Symposium**, 16-18 November 1993, Fairview Park Marriott, Falls Church, VA. (Included in SIMDATAM '95 Report)

## 1993

**Command, Control, Communications, Intelligence and Electronic Warfare Measures of Effectiveness II (C3IEWMOE) Workshop**, CA 23-25 March 1993, Naval Postgraduate School, Monterey, CA (DTIC: A331 068)

**Emphasizing the Cost in Cost and Operational Effectiveness Analyses, (joint with Society of Cost Estimating and Analysis, SCEA)**, VA 2-4 March 1993, Fairview Park Marriott, Falls Church. (DTIC: A330 363)

## 1992

**Command, Control, Communications, Intelligence and Electronic Warfare Measures of Effectiveness (C3IEWMOE)**, 20-23 October 1992, TRADOC Analysis Command, Fort Leavenworth, KS. (DTIC: AD A321 402)

**Distributed Interactive Simulation (DIS)**, 28-30 September, 1 October 1992, Radisson Mark Plaza and Institute for Defense Analyses, Alexandria, VA (DTIC: A301 028)

**Simulation Validation Mini-Symposium (SIMVAL)**, 15-18 October 1990, The BDM Corporation, Albuquerque, NM and 31 March, 1-2 April 1992, SIMVAL II, the Institute for Defense Analyses, Alexandria, VA (DTIC A276 941)

**COEA in the Acquisition Process and the Role of Operations Research in Performing COEA**, 9-11 March 1992, Newport Marriott, Newport, RI (DTIC: AD A291 731)

## 1991

**Analysis Lessons Learned in Operations Desert Shield/Desert Storm (ALLOSDS)**, 9-11 December 1991, Center for Naval Analyses, Alexandria, VA

**Emphasizing the E in T & E**, 1-3 October 1991, US Naval War College, Newport, RI (DTIC A273 634)

## 1990

**Human Behavior and Performance as Essential Ingredients in Realistic Modeling of Combat Workshop (MORIMOC III)**, 26-28 March 1990, Center for Naval Analyses, Alexandria, VA (DTIC AD A291 707)

**Operational Art and Analysis (OPARTAN)**, 6-8 March 1990, National War College, Washington, DC (DTIC A330 422)

**Measures of Deterrence in a Rapidly Changing World**, November 1990, HQ SAC, Offutt AFB, NM

## 1989

**Future Wargaming Developments**, 5- 7 December 1989, Naval War College, Newport, RI (DTIC A276 946)

**Human Behavior and Performance as Essential Ingredients in Realistic Modeling of Combat Mini-Symposium MORIMOC II**, 22- 24 February 1989, Center for Naval Analyses, Alexandria, VA (DTIC AD A227 841)

## 1988

**Simulation Technology-1997 (SIMTECH-'97)**, 15-16 March 1988, US Army Engineer Studies Center; 27-30 June 1988, Monterey, CA; 2- 4 November 1988m National Defense University, Washington, DC (DTIC: ADB 152 051 ADB 152 052 ADB 152 053)

**Analysis of Tactical Transportation: Progress and Challenges (TACTRAN) Mini-Symposium**, February 1988, Defense Systems Management College, Fort Belvoir, VA. (DTIC: A217 344)

## 1987

**Air Defense Modeling and Simulation Workshop (ADMAS)**, July 14-16 1987, The BDM Corporation, Albuquerque, NM (DTIC: B140 212 L)

**SIMTAX-A Taxonomy for Warfare Simulation Workshop**, October, December 1986 and February 1987, The SYSCON Corp., Washington, DC (DTIC: A217 671)

## 1986

**Combat Scoring Systems Workshop (COMSCORS)**, 12-14 November 1986, Naval Postgraduate School, Monterey, CA (DTIC: A186 498)

**More Operational Realism in the Modeling of Combat Workshop (MORIMOC)**, 25-27 February 1986, US Army Concepts Analysis Agency (DTIC: B154 505L)

## 1985

**Command and Control Evaluation Workshop**, January 1985 (Session I) and January 1986, Naval Postgraduate School, Monterey, CA; (Session II) Ricki Sweet, Morton Metersky and Michael Sovereign.

**Joint Regional Air Superiority Workshop**, October 8-10 1985, Center for Naval Analyses, Alexandria, VA (DTIC: B204 193)

**Simulation Modeling for the Strategic Defense Initiative Organization (SDIO)**, 20-21 February 1985, Ballistic Missile Defense Office
